

Public Procurement in depth from the perspective of identified main risks and irregularities in practice

DATE: 13 and 14 November 2025
LOCATION: Hotel Molina Lario,
C/ Molina Lario 20,
Málaga, Spain

About The Seminar

Practical, innovative and focused on real cases!

Learn more about the risks of certain areas of public procurements, including choosing the right type of procedure, defining selection and evaluation criteria, regularity of evaluation and contracting and problems with contract implementation and modifications. Participants will gain practical insights and tools to avoid and detect irregularities and to be able to implement and assess public procurements effectively and in compliance with regulations. Each topic shall include presentation of the legislation, court cases and audit findings. Furthermore practical case studies, exercises and group discussions shall take place.

Target groups: Managing Authorities, Audit Authorities, Intermediate Bodies, Coordination Bodies, Beneficiaries, public procurement managers
